## Consent to Communicate to an Authorized Person and Release of Personal Health Information

Trillium Retirement Living protects your privacy and complies with provincial privacy legislation. We will not release your personal health information until you provide consent.

By signing below, you consent to:

1. Name person(s) with whom you allow us to communicate regarding your care or how you are doing.
2. Allow our registered staff to contact the hospital, medical facility, doctor, and/or the Community Care Access Centre to inquire about your situation and to assess your needs when you return to Trillium Retirement Living if you are admitted or assessed.
3. Allow the treating facility, health practitioner, and/or case manager to share information with our staff - such information as your current state of health, medications, treatments, plan of care, and/or discharge plans.

The following person(s) have my permission for Trillium Retirement Living to release information to:

Name	Relationship	Phone Number
