

**Mapleview Terrace
Convalescence / Respite Care
\$89.00 daily**

Bridging the gap between hospital and home

Whether you are recuperating from surgery or need a place to stay while your caregiver is away, Mapleview Terrace is here to meet your individual needs.

24 hour care and services in a welcoming, safe and supportive home environment

Individual fully furnished suites, lounges on each floor, Beauty salon, Spa.

Wellness and Physician's centre

Activation centre and Bistro are among some of our features.

Quick Response (QR) Program

Our QR program has been designed to decrease the turnaround time from hospital inquiry to admission. Based on the completion of the Health care Assessment, this can be within 24 hours.

Care and Wellness

- Professional and Registered staff 24 hours daily
- Call bell monitoring system
- Medication administration by registered staff
- Individualized Plan of Care based on your assessment
- Assistance with AM/PM care, mobility and weekly showering
- Two person transfers (Hoyer lift or pivot board)
- Escorting
- Doctor visits
- CCAC access
- Weekly housekeeping and laundering of bed linens
- Physiotherapy and exercise program
- Laboratory services
- Care packages for permanent residency
- Cable/phone and internet included in the package
- Can accommodate special diets and restrictions

Our Recreation department offers a variety of daily scheduled programs and socializing activities. Please join us for morning exercise, afternoon bingo or just relax and watch a movie on the big screen.

Culinary Delights based on the Canada Food Guide join us for a hot breakfast. Our menu offers daily specials, lunch and dinner with alternate choice and a La Carte menu to please the palate.
